STORY

I've always been passionate about designing what a user sees. I studied the UX process to expand on my skill set as a visual designer, and also to learn the why and the how behind what makes a truly powerful user experience.

EXPERIENCE

Houghton Mifflin Harcourt | *Sept. 2015 - Present*
DIGITAL DESIGNER
Designed pixel perfect icons, assets, and layouts for the digital math tools and games of *Do the Math*, *Math Expressions*, *Math Expressions Drawing Tool*, *Math Activity Center,* and *Into Math*.

Small Freelance Projects
Hudson Fireworks – Logo Design | Peace Fits – Logo Design
Voice Water – Logo Design | Alpha UX – UX Design Challenges

CoinOut | *Feb. 2015*
FREELANCE UX DESIGNER
Collaborated with team to develop a new site hierarchy and design a streamlined and responsive website including contextual visuals and a more clear, concise messaging that explains the service.

Chad Lavigne LLC | *Jul 2014 - Sep. 2014*
FREELANCE GRAPHIC DESIGNER
Collaborated with design team to create a display for fragrances to exist in Sephora retail stores. Also created packaging design mock-ups using Photoshop.

Amscan | *May 2014 - Jun. 2014*
FREELANCE JUNIOR PRODUCT DESIGNER
Sketched design ideas for products, designed door knob hanger, created specification files to be sent to sculptors.
